Year 4 Curriculum Newsletter

Autumn 2 2026 - 2027

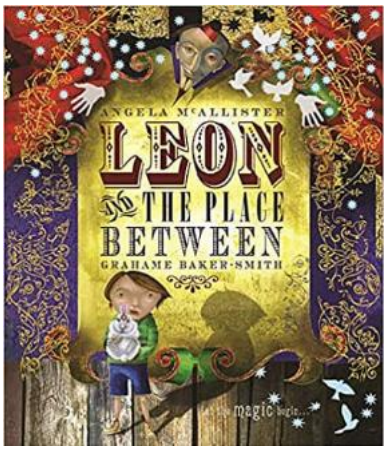

Dear Parents and Carers,

Welcome back to a new term. The children have settled well into Year 4 and we are looking forward to a busy and festive term. We have an exciting curriculum this half term including learning about 'How have children's lives changed?', 'Electricity and Circuits', 'Where, How and Why Do People Worship?' and 'Further Coding with Scratch'. To help your child reach their full potential, please ensure your child arrives at school on time, completes their homework tasks on Doodle and uses TTRS and Oxford Reading Buddy each week.

Thank you for your continued support. If you have any questions, then please don't hesitate to ask on Class Dojo.

Year 4 team

English

In this half term, we will be using the core text: **Leon and the place between.**

Writing outcome:
To write a diary entry in the role of Leon about his evening st the magic show.

Maths

In this half term, we will be consolidating Numbers to 10,000 and addition and subtraction.

The children will also be learning about the following topic: Multiplication and Division and Discrete and Continuous Data

Children will be using various resources in line with the concrete, pictorial and abstract (CPA) approach. The resources used may be a range of the following; cubes, 100 squares, dienes/counters representing various values, and many more.
