# Year 6 Curriculum Newsletter

## Autumn 2 2026-2027

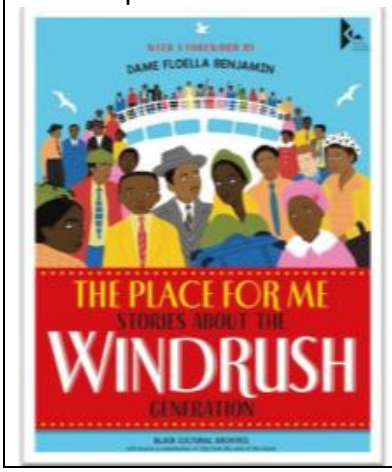

Dear Parents and Carers,

Welcome back! We're looking forward to a fun and exciting festive half-term ahead. The children will be exploring engaging and important topics such as the contribution of the Windrush Generation, Light and Reflection, Population Changes, and Python Coding. We will also be visiting the London Docklands Museum to support our English and Geography work. As we continue to prepare for the SATs in May, it's really important that children keep working hard both in school and at home. Please ensure they complete their homework, read regularly, and stay aware of their targets in Maths, SPaG and Reading so they can close any gaps in their learning. Finally, excellent attendance makes a big difference! Thank you for your continued support.

Year 6 team

| English | Maths | Science and Foundation Subjects |
|---|---|---|
